With 3 columns:

Col a	Col b	Col c	
Value a	Value b	This is a long description for column c. It needs much more space hence we	
		made sure that the third column is wider.	

With 2 columns:

Col a	Col b		
Value a	Value b		
Value b			
This is a long description for column c. It needs much more space hence we made sure that the third column is wider.			
Col a	Col b		
Value a	Value b		
Value b			
This is a long description for column c. It needs much more space hence we made sure that the third column is wider.
